ORDER

VERNON S. BRODERICK, United States District Judge:

I am in receipt of Petitioner Yesid Rios Suarez's ("Petitioner" or "Suarez") motion for reconsideration. (Doc. 39.) I had previously directed Petitioner to file any objections to Magistrate Judge Aaron's Report & Recommendation ("R&R") by July 29, 2019. (Doc. 37.) No objections from Petitioner were filed on the docket, and on February 26, 2020, I adopted the R&R in its entirety. (Doc. 38.) In the instant motion for reconsideration, Petitioner alleges that with the assistance of a fellow prisoner, he filed objections to the R&R on July 18, 2019. (Doc. 39 ¶ 3.) He attaches his objections to the motion. (*See id.* at 4.) The objections are dated July 18, 2019; however, the certificate of service is undated. (*Id.* at 10.) Given that the objections would be timely if they were in fact filed on July 18, 2019, the Government is directed to inform me by on or before August 30, 2021 if it received a copy of these objections, and if so, when it received them. The Clerk of Court is respectfully directed to mail a copy of this order to Pro Se Petitioner.

SO ORDERED.
